**THAMES VALLEY DISTRICT SCHOOL BOARD
PRE-QUALIFICATION
of General Contractors
for the Construction of a
Childcare Addition to Wilfrid Jury Public School**

The Board wishes to pre-qualify General Contractors for the construction of a small addition to Wilfrid Jury Public School. The addition is approximately 210 m² in area and is solely for use as child care space. The project is to be substantially complete by July 2000 and is not to exceed a budget of \$200,000.00. General contractors must pre-qualify to be eligible to tender this project. Bid submissions will only be accepted from those contractors who have successfully pre-qualified.

General contractors interested in pre-qualifying for bidding on this project are requested to submit a pre-qualification proposal which must include the following information:

- Completed C.C.A. Document No. 11
- Completed C.A.D. 7 Document
- Clearance Certificate from the Workplace Safety and Insurance Board
- Consent to Bond at 100% Performance Bond and 100% Labour and Materials Payment Bond valued at \$200,000.00.
- Verification by Insurance Company of ability to secure coverage in conformance to all sections, Part 11 of the Standard Construction Document CCDC 2-1994.
- Provide a written description of the company's health and safety policy and procedures.
- Provide three job related references complete with a contact name and phone number. The job related references should be from projects of a similar nature.
- A letter authorizing the Thames Valley District School Board to contact any references solely for the purpose of verifying submission information and qualifications.

General contractors interested in pre-qualifying are advised that experience in effectively executing this type of work is mandatory.

A pre-qualified Bidder's List will be generated based upon the receipt of the complete information requested, demonstrated experience and references. The Thames Valley District School Board reserves the right at its sole discretion, to determine which contractors meet pre-qualification requirements.

Please forward any questions on the pre-qualification process in writing to:
